**Agenda for May 14, 2012**

7:00 PM Agenda Meeting

7:30 PM Regular Meeting

1. A lot line adjustment for Eric Smallman for property on 114 and 118 Fonda Road. Mr. Smallman proposes to take a portion (1500 s.f.) of the southeast corner of his property at 118 Fonda Road and add it to a parcel he purchased at 114 Fonda Road. The reason for the adjustment is to provide better access (from a sight distance perspective) for a proposed driveway at 114 Fonda Road.
2. Review of updated zoning map prepared by CHA for adoption by the Town Board.
3. Update from Town Engineer regarding existing projects.
