### **Committee on Public Safety, Emergency Services**

Councilman Dave Ball read the Police Report for October: there were 16 UTT, 6 arrests, 1 arrest by the Animal Control Officer and 256 calls for service. Councilman Ball spoke of the October 31<sup>st</sup> incident most saw on the news where three children and an adult were struck and killed when a driver passed a stopped school bus. This was a needless accident. The new portable radar has been deployed for the first time this week at 6th Street by St Mary's School. This is a busy area in the morning. People need to slow down as they come down the hill. There is also a police car here to monitor the pickup and discharge of students as well as a uniformed guard daily. Please use extra caution when traveling in this area. The Police Department will be meeting with parents next week to discuss efforts to keep the children safe. The Principle thanked the efforts of the Town and the Police Dept. The Waterford Rescue Squad has answered 675 calls YTD, with the colder weather approaching please be mindful of frostbite. The Fire

Departments are always looking for volunteers, there are 5 stations in Waterford, consider volunteering.

### **Committee on Veterans, Grants and Funding, Buildings, and Special Projects**

Councilman McClement read the Waterford Harbor Report for October as submitted by Chris Callaghan. The Waterford Harbor and the Hurst Visitor Center closed for the season on October 17<sup>th</sup>. This year we welcomed 721 different boats, 67 camping parties, and 185 parties of registered day visitors. Those 721 boats made a total of 834 visits and the number of day visitors is probably twice those who registered. Quantifying how this compares to prior years will be a winter project but the sense of all of our volunteers is that traffic was up for 2018. Our visitors came from 41 states, 6 Canadian provinces, and 16 foreign countries, from every continent except Antarctica. We're shooting to pick up Antarctica next year.

The 109 boaters who completed our survey reported spending \$23,629 while here. Assuming that's a representative sample, our boating visitors put a total of \$180,800 into the local economy. Money spent by campers and day visitors probably would push that over \$200,000. These visitors were welcomed by one or more of our 29 talented and dedicated volunteers. Our survey returns are replete with comments on how helpful and friendly our volunteers are and how much they contributed to the boater's pleasurable Waterford experience. During 2018, our volunteers were helpful and friendly for 2,178 hours.

Our closing comment for this year is from Boatel, out of Toronto: "Thank you for making the Waterford Welcome Center dock available to us. We love this area and are glad to be able to spend some time here. Thank you to the wonderful volunteers that are always available to help - it is one of the biggest draws of stopping at this location. You should charge more." Councilman McClement went on to say that the 7<sup>th</sup> Annual Revolutionary Run for Veterans was a huge success. They raised approximately \$11,000 for the Saratoga County Veterans Trust Fund. Special thanks to all from Waterford who came out to support a great event. The largest sponsor Momentive had almost 100 runners registered. Thank you to Waterford Clock, Town Clerk Mary Shannon Carrigan and Deputy Clerk Christina McClement and all the Waterford runners. Councilman McClement stated that the Veterans Advisory Committee will meet again this month to finalize details of the Veterans Banner Project. The project is moving along nicely and dependent on approvals from National Grid they expect to present at next months meeting. The Waterford VFW Post 5800 is holding their annual chicken and biscuits dinner on Veterans Day, November 11<sup>th</sup> from 4-7pm, get your tickets early but walk ins are welcome. Contact Andy Walters at 518-603-2297 for tickets. Support your Veterans. Councilman McClement said this Veterans Day November 11<sup>th</sup> marks the 100<sup>th</sup> Anniversary of the end of fighting in WWI. The Armistice of Compiegne was signed early that morning declaring an official end to all hostilities on "the eleventh hour of the eleventh day of the eleventh month". Today we remember these Waterford men that lost their lives in "The Great War."; Charles Brady, John W Briggs, Clarence G Coons, Frank (George F) Curtin, Vincent Lanahan, William J Rocheleau, Ralph Spinks, and Antonio Vannini. Councilman McClement read the poem "In Flanders Fields".

## Supervisor's Report

Supervisor Lawler stated that there was a workshop meeting held on the Streetscape Project- which will improve the Saratoga Avenue entrance into Waterford from Clifton Street to Fulton Street. Improvements will include sidewalks, safer crosswalks, new street lighting, new trees and plantings. The Supervisor wants to thank Dave Woodin and Dominick Gabriel on behalf of the Town for getting this project going. They anticipate starting in the Spring. The Supervisor added that Resolution C, regarding the budget, will be tabled temporarily. There will be a brief adjournment in order for the Board to go over the Fire Protection District budget with Mayor Mahoney. Waterford is covered by three fire districts; Halfmoon-Waterford, Northside, and Waterford Fire. The Town contracts with the Village Fire Department for protection services. The Town has contributed to this fund for it to operate. With the new firehouse being built a conversation needs to be held- this does not affect fire protection at all.
