RESOLUTION # 89

**RESOLUTION FOR THE YEAR 2023 OF THE TOWN BOARD**  
**OF THE TOWN OF WATERFORD AWARDED BID FOR THE TOWN OF**  
**WATERFORD'S 2023 ROAD PAVING PROGRAM**

**WHEREAS**, subdivision 16 of the New York General Municipal Law 103 (“Piggybacking Law”) permits political subdivisions to make purchases of apparatus, materials, equipment or supplies, or to contract for services related to the installation thereof, through the use of a contract let by the United States of America or any agency thereof, any state or any county or political subdivision or district therein provided that the contract has been let in a manner that constitutes competitive bidding consistent with New York State law, and is made available for use by other governmental entities; and

**WHEREAS**, the Town has previously adopted a local law authorizing purchase contracts based on lowest responsible bidder or best value contract award; and

**WHEREAS**, the Town Board is desirous of obtaining necessary labor, materials, tools, equipment and supervision to complete certain reclamation and paving work on various roads within the Town; and

**WHEREAS**, Saratoga County Bid Specifications #23-PWPSR-46R – Pavement Service Rates and Saratoga County Bid Specifications #23-PWAC-3R – Asphalt Concrete Bid are on file with the Town Clerk and provide for pricing and other contractual terms for paving and asphalt concrete which is available to other municipal entities anywhere in New York State. See, Bid Package, “Instructions to Bidders/General Conditions”; and

**WHEREAS**, the Town Board has reviewed the bid specifications and contracts as awarded by the County of Saratoga County; and

**WHEREAS**, after due review and consideration, the Town Board finds that that the contracts were let by a political subdivision of the United States; that the contracts were made available for use by other governmental units, and that the contracts were let in a manner that constitutes competitive bidding consistent with New York law, including public solicitation of the request for bid proposal, preparation of bid specifications; submission of sealed bids; and evaluation and contract award based on best value and/or lowest responsible bidder requirements; and

**WHEREAS**, the Town further finds that New Castle Paving, LLC is a reputable contractor; that the pricing offered is reasonable; that the pricing contract provides a cost-savings and that piggybacking will provide further cost savings by reducing administrative expenses that would otherwise be incurred if the Town initiated its own competitive bidding process; and

**NOW, THEREFORE, BE IT RESOLVED**, that the Town Board authorizes the Town Clerk to piggyback on the County of Saratoga; and be it further

**RESOLVED** that the Town Board authorizes the Town Supervisor to execute a contract, the form of which is to be approved by the attorneys for the Town, with New Castle Paving LLC to furnish paving services and materials for various Town roads as directed by the Town in an amount not to exceed \$ 481,910.09.
